Tuesday, 9th February 2021

Dear Parents and Carers of Cherry Class,

I hope you are all keeping well and are looking forward to the half-term break.

You may have already seen the Parent Forum feedback shared today, following the Term 3 correspondence with parent representatives regarding the home-learning provision. As part of the provision, Miss Blackwell will be trialling a live maths lesson for the Year 2 children who are currently learning at home.

The lesson will take place on Thursday, 11th February at 9.15am via Microsoft Teams and will have approximately 15 minutes of input before the children complete an activity. Miss Blackwell will be able to answer any lesson-related questions during the session and give feedback on the learning. As part of our safeguarding practice, a member of SLT will also attend the session.

As with our class checkins, we would ask that the children attending the lesson follow the code of conduct:

- *Sit in a family room for the meetings - not bedrooms;*
- *Ensure they are wearing suitable clothing to the class check-in;*
- *Be polite and kind at all times;*
- *Children will be muted at the start of the lesson and should raise their hand and wait for Miss Blackwell to invite them to speak.*

If your child is unable to attend the Teams lesson for any reason, there will also be pre-recorded video available on Seesaw as usual. If you have any queries about the lesson, please do let me know.

We look forward to seeing you and the children on Thursday.

With best wishes,

Irèna Wooler
