## Newsletter No 6 – Friday, 3<sup>rd</sup> December 2021

Dear Parents and Carers,

Thank you to everyone for supporting the FWR Rudolph Run event at the weekend. It was a wonderful way to have the school community come together and start to celebrate the Festive season. Thank you to the FWR team for a great day.

As we look towards the end of Term 2, we must continue to be vigilant help to keep the school community safe. We ask that any visitors into the school building wear face masks (unless medically exempt) and maintain social distancing. We are reminding the children to use good hand hygiene and are keeping the school building well ventilated. Please ensure your child is wearing appropriate layers each day and always brings their coat to school. We will continue to monitor the temperature of classrooms and infection rates across the school and locally.

At the time of writing, we are still planning to celebrate our Christmas events in person but please be aware these plans may change closer to the time if necessary. All tickets for the Nativity and Carols will be given out on Friday, 10<sup>th</sup> December. I have listed the events below with the organisational details which I hope will be helpful. ### **Maths Assembly**

This week we had our first Maths assembly celebrating children's achievements in Times Tables Rock Stars and Numbots. We will be having whole school Maths assemblies every fortnight, however we will still hand out certificates in class on the alternative weeks. Willow Class won the trophy for the highest score and Jonah from Year 2 achieved the highest accuracy in the whole school. We are very proud of all the efforts of all of the children in Maths in and outside of school!

### News from EYFS (Silver Birch Class)

Last week the children in Silver Birch have been interested to learn about Buddhism. We then practised various mindfulness activities including yoga, observing nature, threading (our spin on sewing), listening to relaxing music and a range of painting techniques. This week we continued our topic 'Celebrations' and have been learning about Judaism and finding out about Hanukkah. The children enjoyed hearing about how it is celebrated in many homes around the world and even had a go at making their own dreidels!

In literacy we have been working hard to develop our knowledge of phonics. We have been learning to recognise many letters as well as using them to read and write 3-letter words. In addition, we have continued our Talk for Writing work based on the poem 'Give yourself a Hug' by Grace Nichols where we have innovated our own versions of the poem.

In maths we have been working on the concept of 'one more' and 'more than'. The children found this particularly fun when comparing quantities in the context of tasty food!

### News from Year 1 (Elm Class)

We have been learning more about Space this week. We had the visit from the Planetarium which was amazing. The children found out lots of new information so please ask them! We created our own moon phases using black and white beans. We have built a large rocket in the garden and created our own smaller junk model rockets. We also painted our planets. We have continued to read our Talk for Writing text 'Beegu' and next week we will be innovating the story.

**News from Year 2 (Cherry Class)**

I want to start off by saying a big well done for the children in Year 2 who have completed their amazing homework pieces. We have really enjoyed showing these and learning new facts about Arctic animals! We have also finished our stories and have been creating lots of art work based on our topic. All in between nativity rehearsals which is looking better and better everyday! Keep up the good work Year 2!

## The Penguin's egg

Once upon a time there was a emperor penguin called Pip and Pip longed to have a female emperor penguin. He also longed to have a chick. He searched and searched and finally found a mate. They both agreed to have a chick. The egg came and the female went to sea to get food. The male's huddled and Pip got in to the middle. It got warmer so Pip went out of the huddle. And he saw a dot in the

### News from Year 3 (Larch Class)

In Year 3 we have been thinking about what 'rural' means and landscapes this week. We were inspired by Monet to create our own landscapes using finger painting!

**News from Year 4 (Willow Class)**

Year 4 have been focusing on The Great Wave in Art, linking to their weather topic. They learnt to create the outline of the waves using a tutorial. After this, they spent a morning used mixed media (bubble wrap and paint, tissue paper and glue, and chalk/pastels) to create their own versions of the picture. They look amazing, and some children have even had a go at making another version at home too.

**News from Year 5 (Elder Class)**

Year 5 have created a class poem about Mercury, as part their Space topic. The children worked together to write the poem, thinking of ideas and editing throughout the process:

Mercury

Her face is crisp like toasted crumpets,  
 silent crackles and muffled trumpets.  
     Bumpy like a volcano rim,  
 her heart is bright but her light is dim.  
 She helps the stars to find their way,  
     All along the Milky Way.  
 She is a warm crackly fire,  
 her popularity soars even higher.  
 Silently, sneaky she tiptoes past,  
     Venus's glare and silky mast.  
     She is old and kind,  
     but still has a good mind.  
 She plays hide and seek with the planets and stars,  
     behind Venus she hides from Mars.  
 A metallic tweed skirt and silvery top,  
     hair so wild like a scruffy mop.  
 Young in face and old wrinkly eyes,  
 Down in the dark she sometimes cries.

She dislikes Saturn because he has rings,  
and so many other fantastic things.  
Like an armadillo her shell is strong,  
she quietly sings her midnight song.

We had a fantastic experience, learning all about our solar system and the properties of the planets. These were brought to life in the incredible 3D planetarium dome!

### **News from Year 6 (Oak Class)**

Year 6 have been very busy learning all about the famous historical invasions from the Vikings back in 793AD, especially focusing on the invasion on Holy island, Lindisfarne. In order to make the learning embed and spread across the curriculum, Year 6 have been making animations on Scratch 3 which demonstrates the invasion at Lindisfarne. They are working really hard to accurately program and time their animations and are still a working progress.. but here is a sneak preview of Agatha's scratch animation which is looking fabulous: click link to watch her brilliant work: <https://scratch.mit.edu/projects/609849916>

### **Healthy Living Week – week beginning 4<sup>th</sup> January 2022**

Our Healthy Living Week will take place at the beginning of Term 3, with the theme 'Healthy Me'. We would love to have any guest speakers come in and visit the children to discuss being healthy, for example dentist, dental nurse, yoga teacher, personal trainer, nutritionist or anyone that thinks they may be able to offer something useful that week. Please do email the School Office [office@westernroad.e-sussex.sch.uk](mailto:office@westernroad.e-sussex.sch.uk) and your details will be passed on to Mrs Bedford and Ms Jones (PSHE subject leaders). Thank you.

The Rudolph Run (in place of the Christmas fair) raised over £1400! Thanks to everyone who came along and joined in the fun, especially the choir (led by Miss Doone) who sang so beautifully. And huge thanks to every parent who volunteered on that rather chilly day; the event could not have happened without you. Big shout out to Anthea for running the obstacle course, Holly C for working so hard to help Katie organise the event, Chester's grandad Kevin for running the sound system and of course Team Grotto and Mr Young for arranging Santa's visit!

Thank you for all of the generous toy donations for Elfridges. We were lucky enough to receive grotto donations from Lewes Garden Centre in Kingston, cakes from Tesco & Waitrose Lewes, and the beautiful Christmas tree from Paradise Park Garden Centre.

Thank you to the FWR committee

Terms 1 & 2 are always the busiest for FWR. I'd like to say a massive thank you to the whole committee for their dedication and hard work to organise events that the children have loved and that also have raised vital funds. We'd love more people to join us in the new year, so if you're setting any resolutions please consider FWR.

Thank you and Merry Christmas!

Katie & the FWR team
